WRPC Board Mtg Oct 17, 2016

Attending: Donovan, Dave, Karl, Shannon, Christine, Jim A.

Started at 6:45 p.m.

Donovan talked to the sheriff about the complaint received for late shooting. He also discussed it with the editor of the newspaper and reiterated that no laws were broken since the noise ordinance lists a 10 p.m. stopping point for loud noise. Donovan made a motion to change our shooting hours to 8 a.m. to ½ hour after sunset. Jim seconded and the motion passed. We will post a sign on the gate with those hours. Jim will contact Matt Stark at Pro Graphics about making a sign. We will also post a sign about where to get memberships with our four vendor's names and numbers.

Donovan and Christine will put together the newsletter for distribution and we can put the hours in there as well.

Christine will put up NRA endorsements for the coming election on our website.

We still need to put up shelving in the pistol addition. Need to decide what it should look like, get it done and then move stuff into that area from the shed. Dave has the electricity and lighting done also. Thanks!!!!

NRA RSO training class will be held in January by Donovan. Until everyone is thru the training we will need to be sure we have at least one RSO on duty each nite along with another person. Jim A. will get the indoor RSO schedule done soon as we will be starting November 15.

The annual meeting will be January 16 at 7 p.m. at the KEC. Donovan will line up the room with the KEC. The board should plan on being there at 6 p.m. to run thru the presentation. We will have a board meeting afterward also.

Meeting adjourned at 7:40 p.m.
