WRPC Board Mtg Minutes 4/18/16

Started at 6:35pm Donovan, Dave, Karl, Nick, Christine, Shannon, Jim F., Jim A. present

Clean up day is this Saturday, April 23, starting at 9 a.m. Here is a list of things we want to work on that day:

Build a shotgun patterning target station on the north end of the northern rifle shelter.

Rebuild target holders as needed, paint and stencil

Put in yardage markers in the pistol area

Pick up trash

Signage on posts in the rifle and pistol shelters

Burn pile (Donovan-permit)

Fix culvert

Fix screening on fence

Fix flag pole rope

Dig in pipes by gate

Taylor Cooper gave us a presentation on 3 gun shooting events. Participants shoot pistol, rifle and shotgun in a stage on the clock. We would probably want to just have beginner shoots but there are intermediate and advance levels also. Typical round counts are 10-15 for pistol, 5-7 for shotgun and 5-7 for rifle. Taylor has several friends that are interested in these events also. We will need to have several people to staff it adequately also.

A motion was made to purchase some tools, a 6 foot and an 8 foot ladder, a shovel, a spade and a rake. Donovan seconded and the motion was passed. Dave will pick up the ladders and Donovan will pick up the other things.

We need to meet with Rob about potential gun show dates for this fall as well as next spring. Jim and Donovan will try to meet him this week to review dates and to go over the billing for the recent gun show.

Adjourned at 9:10 p.m.
